Community Health Centers: Affordable Quality Care is Right Here*.

Our doctors, dentists, nurses and other providers put you at the heart of everything we do, every day. See how our care is designed for you and your family, without compromise.

Primary Health Care

Maintain a healthy and high-quality life with a wide range of primary and preventive care services.

Dental Care

Keep your mouth healthy with cleanings, fillings, crowns and more.

Behavioral Health

Care for your mental health needs with behavioral health screenings, counseling and treatment.

Vision Services

Keep an eye on your vision health with regular vision exams, eye health screenings and eyewear.

Pediatrics

Kids can get care for illnesses, immunizations, wellness exams and more. Parents will know their children are receiving great care.

Pharmacy

Pick up your prescription medication at a reduced price with the 340B drug discount program.

Medical Home

Get primary care for your entire life from health center professional healthcare teams.

Enrollment Assistance

We offer free, personalized, no obligation, unbiased assistance to help you gain the security of health insurance coverage.

Sliding Fees

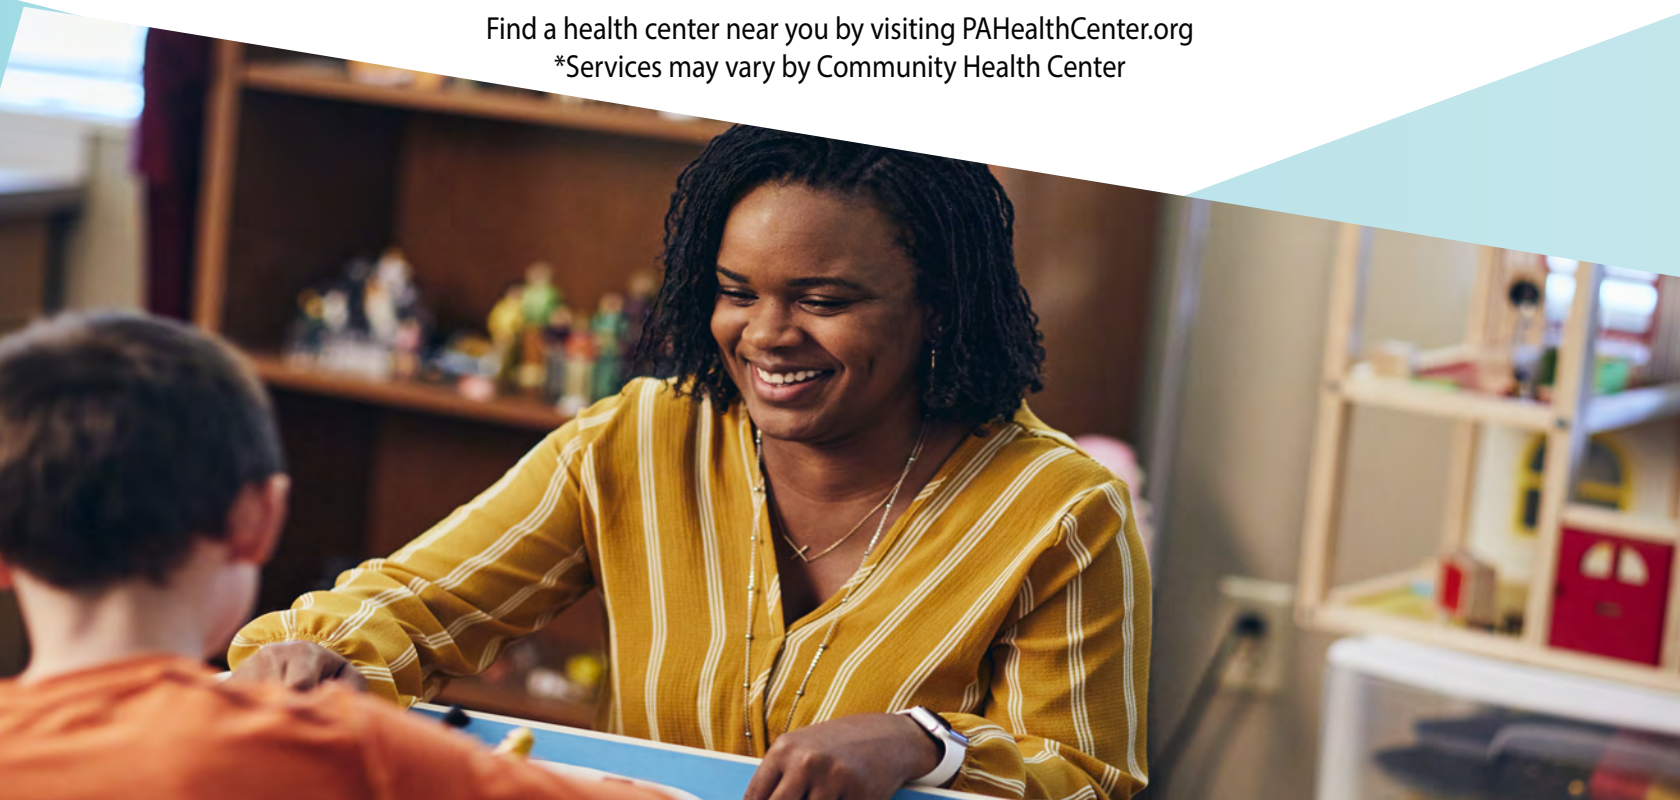
Get the care you need at a price you can afford with sliding fees based on income and family size.

Care for All

Health care for all patients regardless of ability to pay, insurance status, age, sex, religion or race.

Find a health center near you by visiting PAHealthCenter.org

*Services may vary by Community Health Center



Connecting your communities with quality, affordable care

Community Health Centers are in your community, delivering care designed around those who need it most. Federally Qualified Health Centers (FQHC) funding ensures you and your family can afford quality care without compromise.
