

Pennsylvania's Community Health Centers:

Who We Are

Federally Qualified Health Centers (FQHCs) have four unique distinguishing characteristics:

Fees based on **ability to pay**

Quality primary health care open to **all**

Highly competent **health professional team**

Community governed and **patient-centered** to ensure they are **responsive** to their patient population

FQHC Facts

FQHCs serve **vulnerable populations**

FQHCs provide **quality affordable** health care for **all**

FQHC data is **public**

Each Community Health Center's performance data is **available online**

FQHCs have more than **50 years** of bipartisan support

In a 2015 Pennsylvania public opinion poll, **95%** said that Community Health Centers and their services are **important**
