

# Community Health Centers: A Plus for Patients

## Pharmacy

Pick up your prescription medication at a reduced price with the 340B drug discount program.

## Primary Health Care

Maintain a healthy and high-quality life with a wide range of primary and preventive care services.

## Sliding Fees

Get the care you need at a price you can afford with sliding fees based on income and family size.

## Dental Care

Keep your mouth healthy with cleanings, fillings, crowns and more.

## Medical Home

Get primary care for your entire life from health center professional healthcare teams.

COMMUNITY HEALTH CENTER  
**FOHHC**  
QUALITY SM

## Behavioral Health

Care for your behavioral health needs with behavioral health screenings, counseling and treatment.

## Enrollment Assistance

Need help to navigate the enrollment process of Medicaid, CHIP and the Health Insurance Marketplace? Health Centers can help.

## Pediatrics

Kids can get care for illnesses, wellness exams, immunizations and more. And moms and dads can know their children are receiving great care.
